The
FRIEZE
University of Maryland '91-'92

Special Thanks

To all the Frieze Reps for their time, participation, and assistance in making this publication possible.

To Tim Fazio and Mea Rhee of Corporate Graphics for their photography, cover design, divider design, and technical support.

To all the College Park merchants for supporting the Frieze with their advertising.

To Jay Harkey of Colorcraft for his assistance and patience throughout the production of the Frieze.

To Michele Goodman and Mark Slaney for their photography.
To all of the Greeks for their support.

Editor's Note:

The Frieze is back again this year with a few minor changes. This year we tried some different things.

In the past the Frieze has been criticized for not having any written information, we decided to have a block set aside for a little history about each chapter. We also added an additional page for PHA and IFC so that they can be recognized for all the work that they do for the Greek System. Another addition was a page for all the Greeks who have helped us with this publication.

Since this publication is sponsored by the whole Greek System, we thought we should include Greeks on the cover and on the divider pages throughout the Frieze.

The Frieze is a collaboration of pictures from all of the chapters at the University of Maryland College Park. Therefore, we are not responsible for any offensive or embarrassing material. In other words, you gave us the pictures and the Frieze reps put them in, so we are covered.

We hope you enjoy the Frieze!

Since the day I walked through the door, you have been my friend. The memories have always been fond, and their meaning true.
I will carry them with me wherever I go, knowing that they will give me strength and wisdom. The times we've shared, no matter where we are, will last a lifetime.

Thank you for being my sister.

Good Luck

Phi Delta Theta

Known throughout the nation as the gentlemans fraternity, Phi Delta Theta's Maryland Alpha Chapter exemplifies this description. Through athletics, art, dance, and especially scholarship, Phi Delts reign supreme among Greek houses. Our close personal relationships with Greek life directors, alchohol policy constructors and judicial board members makes Phi Delt the cog that runs the machine of the Greek system. We sing, we dance, we create; we are –

Dear Senior '92,

Congratulations on completing your final year at the University of Maryland! We hope you are successful in finding that special job. The experiences you've had with your fraternity or sorority have undoubtedly been very rewarding and a lot of fun! Many of the friendships made through brotherhood and sisterhood will continue to strengthen as you go on in life - this to me is one of the great benefits of being greek!

Hopefully we have played a small but important part in your greek experience. We have appreciated all your support during the last few years!

Good Luck, and stop in to say hello whenever you are in town -
